# DEDICATION

IN MEMORIAM

ANDREW C. BEAM

We, the Senior Class of West Seneca Central School, dedicate this edition of Acenes to Mr. Andrew C. Beam.

Mr. Beam was our former district supervisor and was greatly responsible for the centralization of the schools. Through centralization we have gained wider vistas of education.

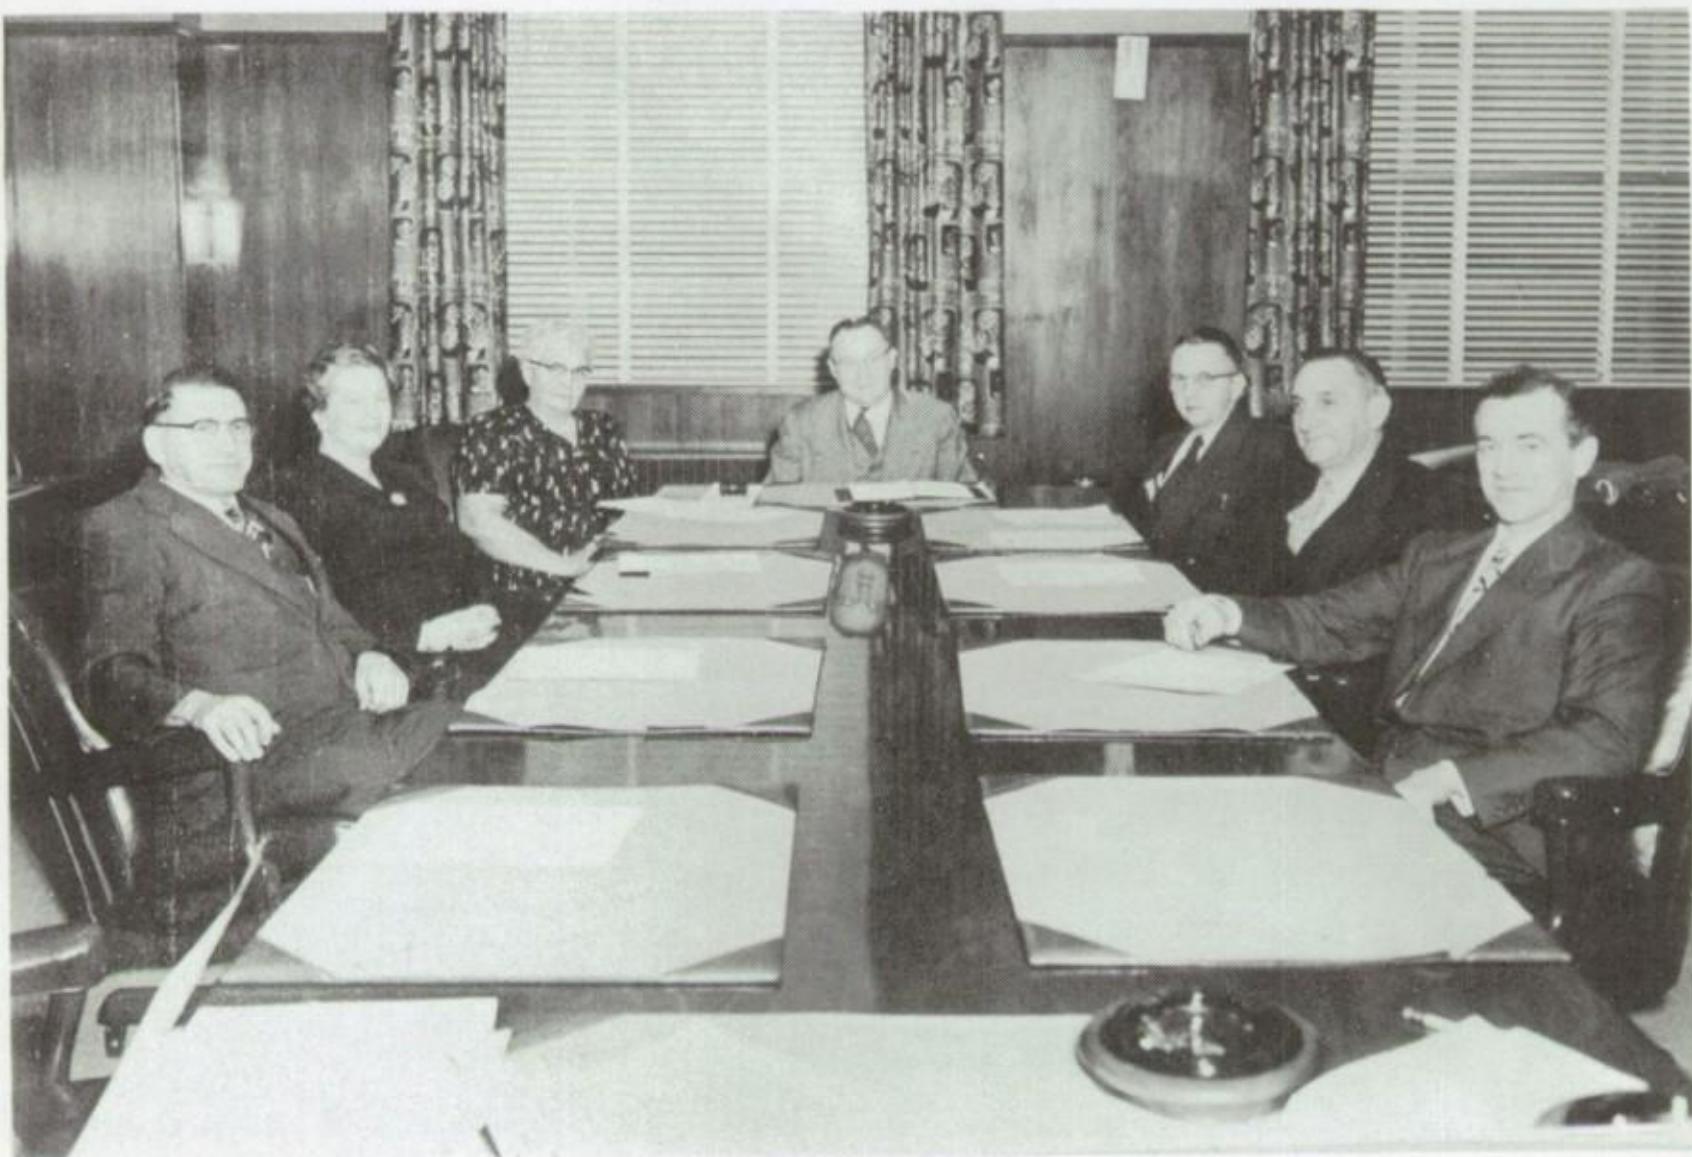

Some of his other achievements during his administration were his founding of the annual oratorical contest and the music festival. He also started the freshman basketball league, which was named after him.

We will always remember Mr. Beam for all these things which gave us a new feeling of school pride and school spirit.

# Board of

# Education

Mr. Ferd Nagel, Mrs. Ailene Eschner, Mrs. Blanche Kelsey, Mr. Edward Adams - President,

TO OUR 1953 GRADUATES.

As you are preparing to leave West Seneca Central School,  
may you always look back and remember your work and play here  
with a deep fondness.

May you also welcome the new opportunity available to you  
with a will to do and when. This commencement in reality is the  
beginning for greater adventures and endeavors in your future life.

Heartiest congratulations and best wishes for your success.

# Supervising Principal

ALFRED W. GOODREDS

Mr. Alfred Goodreds is the Supervising Principal of the West Seneca Central School System. His work has made our school one of the best in western New York. We of the senior class will always remember his devotion to his work and to the school.

# Assistant Supervising Principal

WALTER D. CAMPBELL

In the fall of 1952, Mr. Walter Campbell was appointed Assistant Supervising Principal of West Seneca Central High School. Since his appointment he has worked vigorously to promote the welfare of the student body, the faculty, and the school as a whole. We are grateful to this man for his fine leadership and the interest he has shown in the student body.

## **Jr. Guidance Counselor**

Miss Kahler helps the junior high students to adapt themselves to the school and to plan their courses for a successful high school career.

## LAST WILL AND TESTAMENT OF THE CLASS OF 1953

We, the Senior Class of West Seneca Central High School, being of sound mind and body, do hereby declare this our last Will and Testament.

To the incoming Juniors: The senior boys leave all their old squirt guns, oily dungarees, and their "gab" corner at the end of the hall on the first floor. The senior girls bequeath their knack of picking up all the newest fads first, their spring fever every fall, and their dog collars. The entire Senior Class donates its ability to dream up new excuses everytime anyone wants to go A.W.O.L. from Study Hall.

We the class of '53 bequeath the following:

To Mr. Campbell and Mr. Goodreds: (1) The lifelong gratitude of the '53 Graduates; (2) A new wing to our school containing twelve rooms to be used by the one club which meets every day at 2:15, *The Detention Club*.

To the Guidance Department: (1) The undying appreciation of 150 Graduates; (2) the stout hearts of 150 courageous souls who toiled bravely through four long years of mental and physical exertion.

To Mr. Rathke: Three ten-seated helicopters to be used in gathering up all West Seneca's poor little overworked truants.

To the Music Department: Operettas as successful as *H. M. S. Pinafore* for the rest of the school's existence.

To the Science Department: (1) A collection of sweet scented aromas to revive the students after the shock of the odors which permeate our school daily; (2) two new ammeters for Mr. Urick's physics classes.

To the Art & Design Department: One midget blast furnace for firing pottery, and a new pail for the students.

To the Mathematics Department: (1) A detention room especially for Mr. Vance's after-school junior mathematicians; (2) a new mechanical pencil to figure out Mr. Urick's unsolvable problems.

To the Physical Education Department: Another trampoline so there will always be one in both the boys' and girls' gyms and a pogo stick to get on them; (2) teams as successful as the ones this year.

To the Driver Training Department: (1) Sponge rubber telephone poles, curbs, and signs all through the town of West Seneca; (2) more machines in the Driver Training Room which will frighten any knowledge of driving out of the pupil's mind so Mr. Daly and Mr. Harbison may begin at the beginning.

To the Language Department: A new language - - Urdu.

To the Social Studies Department: (1) As a change of temperament, all unemotional students in the Problems of Democracy class; (2) world peace so that there won't be any more history classes or history books.

To the English Department: We will confiscate all copies of *Hamlet*, *Julius Caesar*, and *Macbeth*. As replacements we will leave Tallulah Bankhead's autobiography, *True Story Magazine*, and "A Street Car Named Desire."

To the Industrial Arts Department: (1) A 1909 Ford motor they can take apart and hope to put back together.

To the Health and Biology Department: (1) An unceasing supply of frogs to dissect; (2) one bottle of "Sweet Air" to dispel the odor of formaldehyde.

To the Commercial Business Department: (1) Automatic devices on the typewriters to make corrections; (2) colored paper to break the monotony.

To the Home Economics Department: (1) An anchor to be placed on pins, needles, and scissors to keep them from miraculously floating away; (2) discontinuation of all Boys' Home Economics classes, as boys are not supposed to cook better than girls do.

## CLASS PROPHECY

This year is 1963. We bring you a review of this week's news. This is a Gerry Stockton, Diane Pleger production brought to you through the courtesy of James Nosbisch, owner of Gobbily Gooks, a nation-wide chain store concern. This is Norman Noworyta, your announcer.

William Creveling has just been elected President and has just arrived at the White House with his able janitorial staff headed by Kenneth Treeby and Robert Kucinski. The outgoing President, William Castle, left his maid, Beverly Maderer, behind to insure cleanliness in the White House.

In the Senate, Irving Shoemaker combined forces with Gerald Kennick to appoint Leonard Blizniak as chief dog catcher of West Seneca.

Here we are at the Paramount Theater in New York City waiting for the arrivals of the celebrities. This is the first showing of Ralph Frisch's production "Duel on the Moon" starring Rosemary Manzella, who finally got her big break after being stand-in for Elizabeth Taylor for so many years. Her leading man is Howard Blair, the new "sigh guy" of the cinema. The picture is to be shown in 3-D.

The first celebrities we see are those two famous gossip columnists, Barbara Stoddart and Sheila Brundage who are closely followed by that glamorous Marilyn Procknal accompanied by handsome Rocco Pisto. By the way, Bob Meissner that ex-stock car racer, is Mr. Pisto's chauffeur.

Coming up the walk is the Governor of New York, Gerald Chader with his secretary, Janet Davis.

Here come those two rodeo queens, Shirley Heck and Diane Wichter. They brought along Ray Cislo as stable boy. Shirley and Diane are riding horses exclusively trained by Lorraine Herman.

Now we switch overseas where we will survey our men in uniform. General Robert Rebman is head of the tank corps and was quoted as saying that his most difficult problem is keeping Pvt. Allan Moeller and Pvt. Jim Rider from crossing the border and visiting those two spies, Don Robinson and Bob Schaffer. Floating down in parachutes, we sight Martin Pieczynski and Bruce Weichman.

Now over to White Sands proving grounds where we see Dick Priebe, Dan Szczepanski and Frank Boniface, who are completing a rocket to take them to the moon where Dick Ehinger was stranded when he pole-vaulted a trifle too high. Robert Guindon and Gilbert Schnorr are chief electricians. Paul Attenhofer and Donald Ball will pilot the ship. Larry Bieler will be in charge of launching the ship.

Paris, France....William Rauch and Gerald Monin's second annual fashion show is now in progress. The models are Frances Parker, Beverly Vogel, Carlene Yost and Laurel Vogel who are now modeling on the stage.

There are many debutantes here for the showing, some with their beaus. Barbara Reach and Carl Seifert have just come in along with Joan Schwartz and Kenneth Ernst, Annette Metzger and Gerald Haefner. Well-known fashion designer, Robert Gaston showed up stag. We're wondering about his wife, the former Marilyn Topp. Could she be at the Olympics????

Flash....Representing Sak's Fifth Avenue at the fashion show, we see none other than Dolores Gruber and Romaine Mulligan as fashion experts.

Atlantic City, New Jersey....Judy Mamula has just won the "Miss America" contest with Shirley Simonson and Millie Neuburger as runner-ups. Judges were Larry Sierra, George Sciolino, and Kevin Kratt. The award was made by that sensational bathing suit manufacturer, Marlene Leininger.

Sports....Richard Barry has just won the world's wrestling crown from Lou Thes.

A basketball team sparked by Yea, Glinski, and Bowes won the basketball championship by defeating the Harlem Globe Trotters. Joe Yea, when interviewed said that it was all due to his charming wife, the former Betty Benzel.

Don Ehinger attempted to swim the Atlantic Ocean but when he got three-fourths of the way across, he decided he couldn't make it so he turned around and swam back.

Irene Paszkiewicz, Inez Mecca, and Jean Leatherbarrow set an all high volley ball scoring record at Memorial Auditorium. The score was 200 to 100. The girls said that all credit goes to Geraldine Kempke, their able coach.

Society News....Happily married alumnae of West Seneca Central formed a women's club. They elected Alice Ziegler as president, Marlene Seedorf as secretary, Ann Paycon as treasurer and Joan Kozak as vice-president. Pat Stefanski was elected baby sitter for the group. After a heated discussion, they finally decided that Maryann Reinard had the cutest baby.

Music....The All Star Jazz band of the month is headed by Don Lillo starring Gary Hall and Eddie Burrows and featuring Robert Jones and Beverly Michel as vocalists. Their concert was given the day after Marlene Bilotta sang in the Metropolitan Opera. It was given as a benefit for the new W.S. Hospital at which Karen Weber, Joan Duge, Elaine Webb, Carol Metzler, and Nancy Meyer are working as nurses. Edith Cechini, the well known party giver of West Seneca, was chairwoman. The closing symphony was played by Marie Baker on her accordian which indeed is a happy ending to a magnificent show.

Flash....Millionaire Donald Doktor, owner of the world's largest steel industry today hired the world's fastest typist, Catherine O'Connor. He also hired some of the best secretaries in the business including Nancy Sabo, Adele Ritenburg, Kathleen Van Doosier, Gerry Mumm, and efficiency experts Edna Mae Eich and Sally Penrod. Mr. Doktor also said that he signed a five hundred thousand dollar contract with Donald Mascia, foreign car manufacturer. Daniel Majeski, Russian steel manufacturer, visited Mr. Doktor's plant to study our manufacturing methods.

Marilyn Doster, Dorothea Johnston, Gloria Maass, Frances Tryon, and Barbara Matot have just returned from entertaining the boys overseas. They have been doing a magnificent job.

Africa....We see where Janet Eckert, and Betty Dedrick have just arrived in Africa. Because of his friendly association with the natives, Walter Paszkiewicz has consented to be their guide.

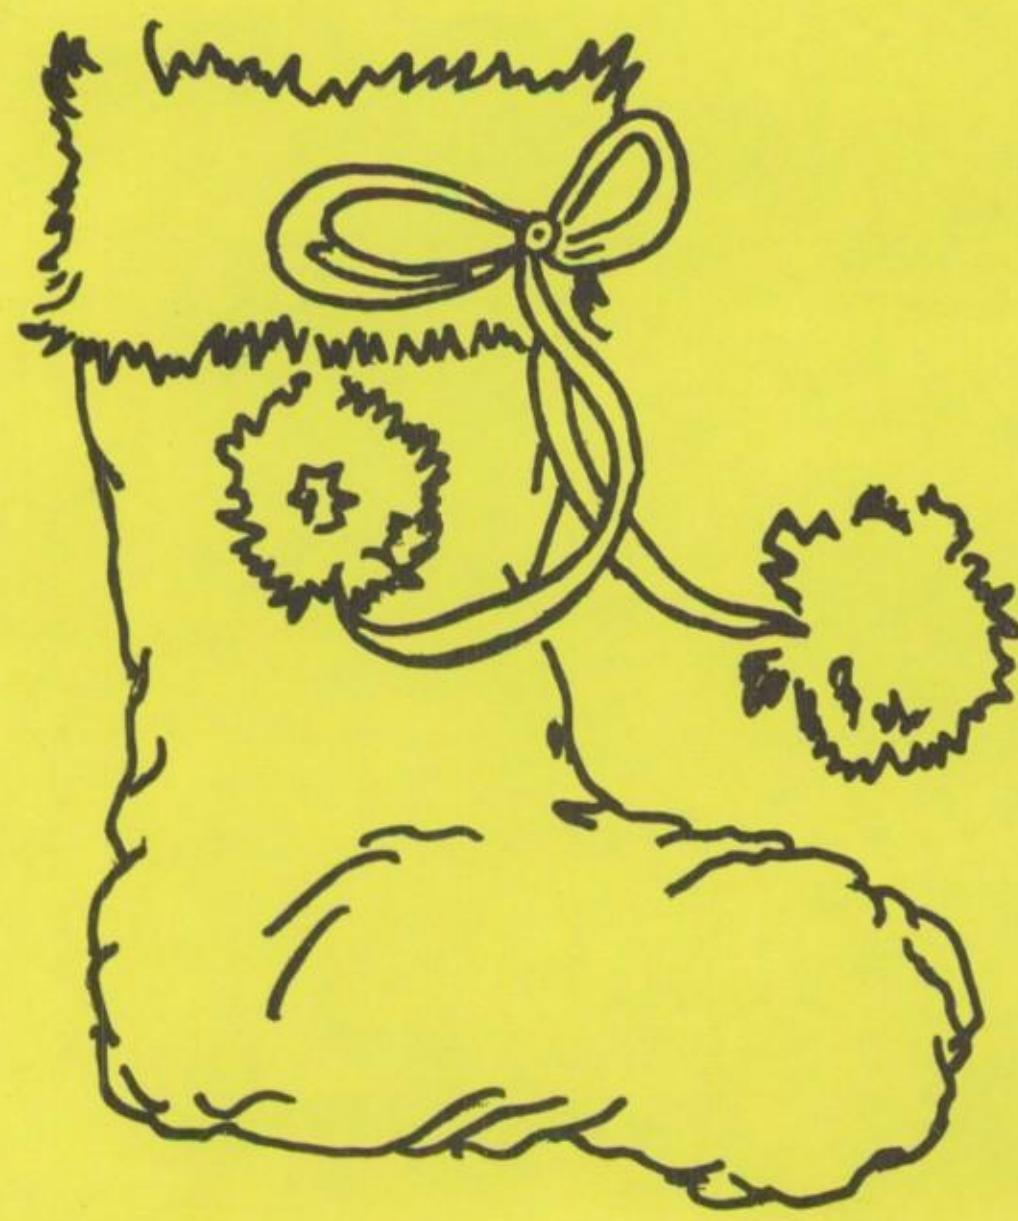

New York....We see where the women are really taking over the United Nations again this year. Among those present are: Shirley Balla, ambassador from the U. S., Edretta Dusch, ambassador from USSR, and Elaine Hardy from the United Kingdom.

Flash....We have just received a preview of the faculty for our old Alma Mater, West Seneca. The new principal is a woman, Patricia Krueger by name. James Chapple has just replaced his superior as head turant officer. Teaching social studies is Imelda Muench. Head auto mechanic is Loren Ernst and chief athletic director is ex-Cleveland Brown football player, Jerry Mingle. Specializing in instructing the bowling team is Frances Raslowski. Driving the busses are John Williams and Donald Galley.

Entertainment....Currently starring at Lenny Luczak's Town Casino is Loretta Turo and Audrey Miller with Joe Corbett and his trained wildlife. Also featured are those two Hep-Cats, Jeanne Cusano and Agatha Pagliacci. They have been plugging their latest record, "Bear-Cat." The interior of the Casino has just been decorated with flowers by the prominent florist, Robert Bengert.

Well, that's it for this week, folks. Hope you've liked what you've heard and heard what you liked. This is Norman Noworyta signing off til next week at this time.

## NATIONAL HONOR SOCIETY

"Better than ever" is all we can say about the N. H. S. this year. Besides sponsoring two dances, it had a formal initiation and banquet, which was one of the high spots of the year.

Its officers, President, Elaine Webb; Vice-President, Jerry Chader, Treasurer, Bill Creveling; Secretary, Joan Duge; and the faculty advisor, Miss Truscott guided the group.

The society has just completed what we consider its most successful and fruitful year in our school.

The West Seneca Student Council began its second year under the direction of Mr. Thomas Daley. Each of the members was chosen by the student body to perform the necessary obligations of the club. After election, the members were invited to Clarence Central School to become acquainted with the duties of the organization. They gained many new ideas from the council members of other schools.

The major project of the group was the selling of candy at every home basketball game. Refreshments were also sold at a dance which was sponsored by the Youth Organization of West Seneca. However, the highlight of the year was the April Amateur show. A trophy was presented to the winner and her name was inscribed on a large cup which was placed in the trophy case. During the school year a movie was shown for the entertainment of the student body. In addition, the council has provided the required fee for yearbook pictures for non-profit organizations.

Although it is very difficult to move ahead, the Student Council feels that this year it has made some progress which will benefit both the council and the students of next year.

## THE NEWSPAPER CLUB

Our school newspaper, the Nan-do-wah-gaah, is made possible by the combined efforts of a staff of students and our two advisors. This organization not only provides a useful service to our school but also gives its members practical experience in the line of journalism and newspaper production. Little do our readers realize the time and effort that goes into the making of a newspaper.

There are approximately six divisions to this club: the co-editors, advisors, reporters, typists, production, and art committees. All have succeeded in doing their utmost to carry out their assignments.

We should like to congratulate our two editors, Casey Prezyna, and Eleanor Turton, for conscientiously carrying out the task which, perhaps, holds the most responsibility - supervising all phases of the growth of the newspaper.

We would especially like to thank our two advisors, Mr. Ryan and Miss Trautenberg, for cooperating and helping us to create an air of efficiency for our club.

The Icarian Dramatic Society consists of students, Juniors and Seniors, who are interested in dramatics. Its Charter Members are the students who participated in the 1953 Senior class play.

Charter officers are: Diane Pleger - President; Elaine Hardy - Vice President; Patricia Stefanski - Secretary; Beverly Michel - Treasurer.

Each year the Society will audition for new members. To be admitted to the Society the applicant must have a ninety average in English, theatrical ability and, if possible, other talents such as: salesmanship, ability to apply make-up, and a knowledge of stage equipment and all the other necessities that go with making a production successful.

In December we presented, as our Senior play, "Arsenic and Old Lace" and in April we presented a short skit for the Student Council Talent Show.

The ambition of our Icarian Dramatic Society is to provide entertainment for the student body as well as for the people of the community.

The Discussion Club held its first meeting on November 19, 1952. At this meeting an election of officers was held. They were: Don Doktor - President; Elaine Webb - Vice-President; Betty Dedrick - Secretary; Jerry Chader - Treasurer.

This club, under the guidance of Mr. Quinlivan, met the first and third Thursday of every month. In addition, the group met one night a month with students from three other schools in the Suburban Youth Discussion Group.

Some highlights of the club's activities were participation in the High School Forum of the Air, and in the United Nations Model Assembly at State Teacher's College at which we represented Blyo Russia.

This club gives young people an opportunity to learn how to analyze and discuss current problems.

The West Seneca Junior Rifle Club was organized and officially chartered as an affiliated member of the National Rifle Association Washington, D. C., on January 10, 1953. The club was formed due to the growing interest in rifle shooting as a sport in this area.

This year the club arranged to use the Cleveland Hill rifle range for all of its firing activity, but the school is constructing a new rifle range in the basement. It is expected this range will be available next year. With these increased facilities the club will be open for membership of boys and girls in both the Junior and Senior High Schools. Mr. Wesley R. Scott is the Faculty Sponsor.

After many, many long weeks of rehearsal, W. S. C. produced its first annual operetta, H. M. S. Pinafore. Under the capable direction of Mr. Alfred Castle, the cast was able to present an outstanding performance. Those who had the leading rolls were Ray Davies, Judy Mamula, Rosemary Manzella, Bill Glinski, Beverly Michel, Don Mascia, and Don Lillo. With only five weeks of preparation, many long and tedious rehearsals were necessary. There was hard work and little play.

Excellent cooperation was given by advertising, scenery, and props committees. Mr. Fahey managed the dependable and efficient stage crew.

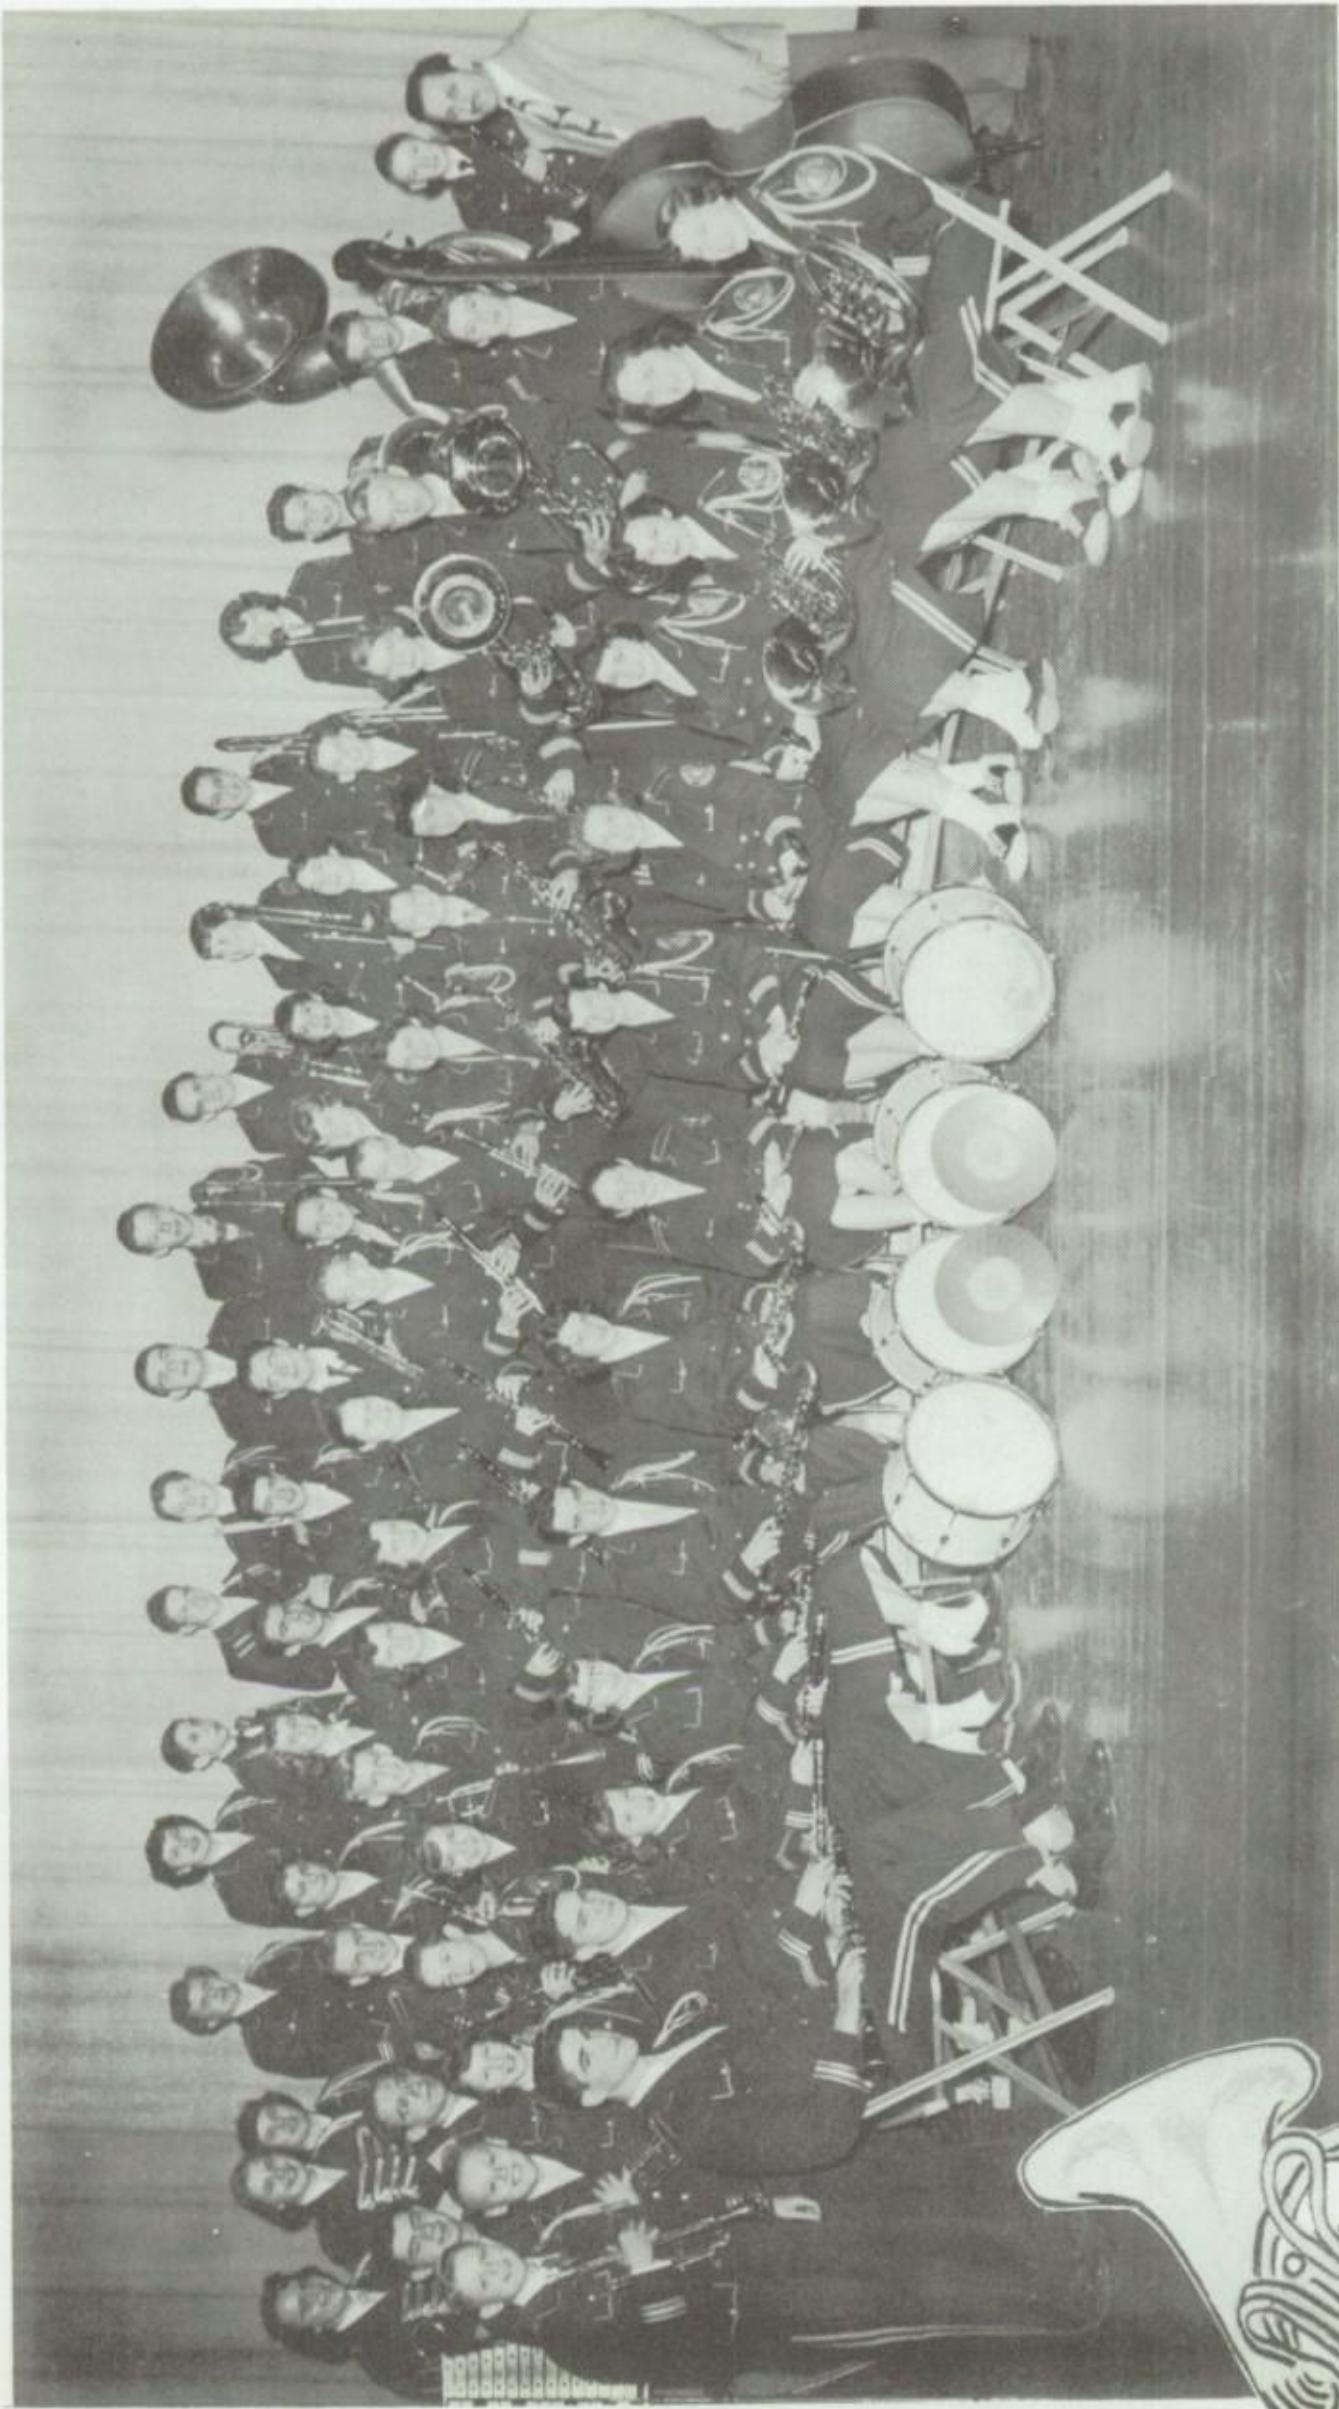

The cast of the operetta was rewarded with tremendous applause and a continual call for encores. Mr. Castle was speechless when Don Lillo presented him with a Bulova wrist watch on behalf of the cast, orchestra, and stage crew. He did an outstanding job not only with the musical but with the dramatic part of the show. Others who helped with the presentation were: Mr. Van Dette, Mr. Zarba, Mr. Picerno, Mr. Peck and Mrs. Castle.

Because one presentation did not satisfy the demands of the students and community, next year the operetta will run for two nights. We will long remember the rollicking melodies and rhythms of H. M. S. Pinafore!

## THE WEST SENECA JUNIOR BAND

The Junior Band, for the first time, is an established musical group under the direction of Mr. Alfred Castle. It started last year with all beginners taking part. This year, however, the group consists of people who played last year and had begun lessons in the grades. Rehearsals held everyday show promise of creating experienced instrumentalists for the senior band. They have performed for an assembly program of their own and also participated in Sunday Series Concerts and in the annual May Festival. This is an ambitious group that is wished the best of success.

The Boys' Chorus this year became one of the most popular activities. By constantly striving to improve their choral ability, the members have furnished pleasing entertainment for all at the assemblies and in numerous other activities under the direction of Mr. Gordon Peck. A Sunday Concert was given, and the chorus was greatly acknowledged by the hundreds who witnessed it. The music department presented the operetta H. M. S. Pinafore, the first of its kind to be enacted at our school, and the chorus gave a highly laudable performance. In addition, a number of the boys participated in the All State Concert presented this year in the Lancaster School Auditorium and in the annual Erie County Concert held at Kleinhan's Music Hall.

As this organization grows in experience, its renditions will become more polished and melodic. Both the members and their audience will enjoy the beautiful harmonies of song.

Many times a group of students will work hard to help the spirit of school activities and will very seldom get any or little credit. We have such a group in our school known as the Baton Twirlers. These girls present an extraordinary routine for our sports spectators.

Although through graduation last year we lost quite a few of our varsity football men, we still did our best this year. Bolstered by many seniors again, the team fought well throughout the entire season under the coaching of Mr. Gregory and Mr. Hawkes. Although we were defeated four times, the teams who defeated us found it a hard fight to the final gun. The players showed great spirit all year and coupled with the able assistance of the coaches produced a record to be proud of.

Larry Middagh	Don Morgan
James Schiffhauer	Robert Poth

Other members of the squad were:

Francis Beaman	Charles Kolmer
Frank Boniface	Kevin Kratt

220 yds.	low hurdles
440 yds.	broad jump
880 yds.	high jump
mile	shot put
mile relay	discus throw

With seven veteran men on the team this year, Coach D'Amato was sure our boys were going places. Well, we certainly did. Our squad came through, taking five and dropping two meets, winning for us the Southern Erie County Track Title and trophy. Three boys on the squad were outstanding in their own field. These were Don Morgan, who set a new school record for the mile run at five minutes, and Bob Bork and James Schiffhauer, both setting a new record for the pole vault at 9 ft. 6 inches. Everyone on the squad worked hard for the trophy which they rightfully deserve.

While the squad lost twice to powerful Amherst, it still took second place by swimming a rubber match with Williamsville at the end of the season. This year the team will lose Robert Rebman, Ken Treeby, Frank Boniface, Richard Priebe, and Richard and Donald Ehinger. One of the greatest teams our school has had this year is its' Baseball team. After losing three of its first five games it went on to win eleven straight. Our team became champion of Northern Erie County; then it beat LaSalle for the Erie-Niagara Championship. The group then played in Offerman Stadium, here it became Section 6 Champions of Western New York. Coach Viggato declared that this was one of the best teams he will ever coach in high school.

This year's wrestling team coached by Mr. Warren Gregory, had an undefeated year. The team took three tournament honors. It took first in its own league, first in the Jewish Center Tournament, first in the Erie County Conference and second in Section VI. Although the team will lose team captain Richard Barry, who went through the regular season undefeated they will have a strong team next year.

Ken Meissner, won third place in the National AAU Greecian-Roman style wrestling and fifth in the free style class. This is a very remarkable accomplishment for a high school boy.

## BOWLING TEAM

The boys picked to play in the varsity games this year were chosen from the highest scorers that bowled at Gallerys on Monday evenings. This arrangement gave all who participated a chance to bowl against other schools. Coach Robinson and his team did a good job this year; they won five of the eight games played. Those who bowled in a majority of the games automatically received varsity letters, as did those members who had contributed greatly to the success of the team in other ways throughout the year.

Under the very capable direction of Coach Lloyd Miller, our tennis team established a very envious record of five wins and five losses. Entering into the league competition for the first year. The students showed enthusiasm for this sport. Many freshmen as well as seniors turned out to play. Three freshmen and three seniors opened the season by defeating Depew 3-2. Wally Simpson led the team by completing the season with an excellent record of seven wins and two losses.

## CHEERLEADING

Always ready to do their job whether the team was winning or losing, the cheerleaders this year were a striking group in their new blue and gold uniforms. Under the direction of Mrs. Sloan, the girls worked hard on the old cheers and composed many new ones. Marlene Seedorf was the captain, and during games the cheerleaders aroused high and sportsmanlike spirit among the spectators. They also put on pep assemblies during the year to encourage school spirit.
